Dear Parents,

As you are aware, we have been looking at our Breakfast and After School Club provision and will be implementing exciting changes over the next few weeks. We will be asking the breakfast and after-school children to form their own committee, which will work together to decide upon the various activities, resources and snack options that they would like to access whilst attending club. We will support the committee in taking responsibility for their own breakfast/snack budget and the creation of a 'breakfast and snack buffet' where they can choose and create their own snacks.

We will be working with the children to re-design their club; helping them with setting up areas such as arts/crafts/junk/modelling, a TV / DVD area with beanbags and various age appropriate play areas and resources.

The children will continue to have access to the outdoor play area and their own outdoor resources.

With breakfast club children accessing the main playground to play, we would like to implement a new drop off system to ensure safeguarding.

From 16th September, please can breakfast club pupils be dropped off at the main playground gate (at the front of the school) at 8am, where they will be met by a member of the breakfast club team and walked across to the mobile by the member of staff.

We look forward to the new committee's wish list of resources; but would like to ask for your help with expanding the selection of toys, books and resources available in the interim - we would appreciate any donations that you think the children might enjoy!

Thank you once again for your continued support,

The Breakfast and After School Club team.

Together we dream, believe and achieve!
