Dear Parent/Carer,

As PSHE Coordinator for the school, I believe in the importance of the Spiritual, Moral, Social and Cultural development of every child in our school. Alongside the curriculum that covers all aspects of these in depth, I would like to give the children an enhanced opportunity in relation to the cultural diversity of our community and our world. For this, I am asking for your support. I would like to reach out to you as stakeholders and see if we can make as many links as possible. If you have a particular cultural background that you would like to share with the school community and would therefore be willing to come and talk to a group of children, please contact myself either in person or via an email to the office. This could include a talk about your background, your faith and your traditions.

I look forward to hearing from you and enhancing the cultural knowledge of our children even further.

Many thanks,

Mrs Walker
