Dear Parents/Carers,

I hope that you and your families are keeping well and safe through these difficult times.

School has continued to remain open during the Easter Holidays when care has been required for the children of Key Workers and vulnerable groups.

I hope that you have all managed to complete some enjoyable activities (home based of course) over the Easter break and enjoyed the glorious sunshine. The home learning will start up again on Monday 20th April. If you have any questions regarding the work please email the school office who will forward your questions to the relevant teacher.

We have previously emailed information regarding the national voucher scheme for families who are entitled to Free School Meals. Please ensure you check whether you are eligible for this funding and contact the school office if you would like more details.

I would like all children, staff and families to complete a task before we return to school highlighting what lockdown looks like for them. All children will be required capture a memory of their experiences during lockdown in a way which they choose. This could be a piece of art, model, poem, diary account etc. These will all be collaborated into a school display and memory book. Once we have a date for opening I will let you know when they will need to be brought in.

I would like to take this opportunity to again thank the brilliant staff at Coates who are continuing to work incredibly hard during this difficult time to ensure the school continues to run, work is planned and supported and the school is open to Key Worker children and those identified as vulnerable. During this busy time we are limited on the amount of staff who are able to work which may mean that emails etc are not replied to as swiftly as we would like and I appreciate your understanding on this.

I would also like to thank all the families for their continued support and if you require any additional support please contact the school office.

I look forward to seeing you all again as soon as we are able to open.

Kind regards

Mrs L Boucher
