20th July 2021

Dear Parents and Carers,

Over the Summer, the Local Authority Maths Team have put together some Maths “Weekly Wonders”. These are challenges to complete over the Summer holidays for KS1, Lower KS2, Upper KS2 based around key events or dates over the six week break. As a school, we have adopted these for our Maths Summer challenges. Teachers will upload all 6 weeks of “Weekly Wonders” for your child to complete on Google Classroom by the end of term (Wednesday 21st July). Once your child has completed each challenge, please upload answers to the appropriate area on Google Classroom for your teacher to see. There are answers readily available, which will be uploaded to Google Classroom also.

Year 1 and 2 will complete the KS1 challenges

Year 3 and 4 will complete the Lower KS2 challenges

Year 5 and 6 will complete the Upper KS2 challenges.

At the start of the new school year, your child will receive a certificate for completing the “Weekly Wonders” challenges. Your child will be award 1 merit point for every weekly challenge they complete.

I look forward to seeing some of the challenges completed.

Yours Sincerely,

Mrs D Lilley
Maths and EYFS Leader
