Dear Parents

Over the past few months the Governors, staff and pupils have been working on a new school vision which today the pupils have been introduced to:

Reach for the stars! Be the best that you can be.

All pupils have been given the challenge to design a poster to promote the vision around school/publications/website etc. (There will be a variety chosen from EYFS, Key Stage One and Two).

To take part the children need to complete their poster using the template attached or they can create one of their own but it must include the vision statement.

Please ensure all entries are in by Monday 2nd December.

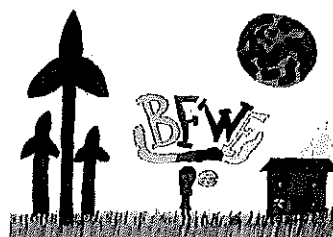

I really can't wait to see the amazing entries.

With kind regards,

Mrs L Boucher
