Dear Parents and Carers

As you are aware, one of the COVID preventative measures in place in schools is ensuring there is appropriate ventilation and the CO2 levels are monitored. Schools are required to monitor these levels and increase ventilation when required. This means that alongside our internal doors being open, windows will also be required to be open for the safety of the children and staff. With the weather being particularly cold at the moment, could I please remind you to ensure your child has adequate clothing for indoors e.g. vests, jumpers, cardigans. Additional jumpers/cardigans can be worn by children if required but I ask that they are our school green colour or black/grey if this is not possible. These can be kept in their bags and used as and when needed.

We are working incredibly hard to ensure the safety and welfare of everyone whilst adhering to guidance and appreciate your continual support regarding this.

Kind regards

Mrs. Lindsey Boucher  
Headteacher
