12th March 2021

Dear Parents and Carers

It has been wonderful to welcome the pupils back to school this week. I would like to express how proud I am of every pupil and how well they have settled back into the routines. There has been a fantastic buzz of learning throughout the classrooms and the pupils have been producing some brilliant pieces of work. Seeing them safely socialising in their bubbles has been wonderful to see.

School Vision and Values

This week we have been discussing our school vision and values and the children have really liked seeing our new mural in the school hall. A massive thank you to the FFFG who funded this project and Mr Stroud for his very talented work.

The values the pupils are working towards this term are:

- ❖ Respect
- ❖ Courage

Due to the limited amount of time this term to work towards these they will also be awarded during the summer term. Pupils who gain all six values awards will be awarded the Coates Citizen Award.

Homeschool Agreement

At Coates we aim to promote a warm, secure and happy environment, which is caring and supportive to; our pupils, our staff, parents, governors and to members of our wider community with whom we come into contact. This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home school agreement.

I have attached a copy of the Homeschool Agreement as a reminder to all families of the expectations of staff, parents and children.

Hundreds of reasons why we love our school.

An enormous thank you to all the families who contributed to the display. The pupils will have the opportunity over the next few weeks to add additional hearts. If you would like to contribute a family message please email one or more reasons to the school office. It has been amazing to read the comments which the children and families have written.

Packed lunches.

Can I please remind all families that we are a nut free school and pack lunches **must not** contain any items which contain nuts.

Forest Schools.

The pupils in reception and preschool have been very busy this term completing forest school activities.

I would like to take this opportunity to thank you for the amazing support you have provided the school and your children this term.

If you have any questions please do not hesitate to contact me.

Kind regards

Handwritten signature of Lindsey Boucher.
