11 January 2017

Dear Parents/Guardians,

It is my pleasure to inform you that our recent Ofsted inspection has once again judged Coates Primary School as a good school. The full report is attached and will be available on our website for your information and speaks for itself. It is overwhelmingly positive.

The report was very complimentary of all aspects of the school including leadership, teaching and safeguarding; the Inspector was particularly impressed by the children. The report also provides next steps for the school. These we will take on board as a positive way forward.

Good Ofsted reports reflect on the whole school community; teachers, support staff, children, parents and governors. I would like to take this opportunity to thank the Headteacher, the governors and all the staff for their dedication and hard work, and, of course, the children who provided such brilliant feedback during the inspection. I would also like to thank you all, as parents, for your continuing support for the school and for your participation in the inspection process.

We all look forward to continuing to develop and grow Coates Primary School, building further on our success.

Yours sincerely,

Paul Howe
Chair of Governors
