

Dear Diary,

Today has been an amazing day. I have travelled around Kenya seeing all of the different landscapes.

First, I travelled to the savannah. It was hot, dry, and bright, lots of animals ~~like~~ ^{live} in the big open

space. ^{or plane} Then we travelled to the mountains. It was ~~dry~~ ^{dusty}

rocky and high. After that, we travelled to the

beaches. These were unusual beaches because it is

covered. Later, I travelled to the city. It was busy,

full of buildings.

big and noisy. Finally we travelled to the village the man he put

him on ~~the~~ ⁱⁿ it was much easier to see but it ~~was~~ ^{was} got ~~interesting~~ ^{interesting}

and ~~it was~~ the houses were made from wood, sticks and mud of ~~plaster~~ ^{plaster}. ↑ I am looking forward to another day.
